**Additional Coursework:** Engineering Computation & Algorithmic Thinking (Python), Foundations of Statistical Inference, Managing Individual & Team Performance, Technical Writing, Writing in Business

## PROFESSIONAL EXPERIENCE

### Whole Foods Market, Bridgeport

Tigard, OR

Cashier Team Member, Front End Service (Seasonal)

July – September 2026

- Rang high-volume transactions, handling cash and card tender accurately through peak hours
- Resolved pricing questions, returns, and customer issues at the register, escalating to the team lead beyond register authority

### Portland Indoor / Lil' Kickers

Portland, OR

Facility Manager

Summers 2025 & 2026

- Supported management of daily operations at a multi-field indoor sports facility; ran the front desk and snack bar
- Managed the computer system tracking customer records and transactions

**Virtuosy.online**, an online music-education platform

Tigard, OR

Independent Contractor — Video Editor

March 2020 – Present

- Edit every class recording on the platform (200+ to date), taught by professional musicians and university faculty
- Manage concurrent editing projects with overlapping deadlines

### Rocket Fizz

Beaverton, OR

Sales Associate

May 2021 – August 2025

- Opened and closed the store independently, including full daily cash reconciliation and end-of-day reporting
- Trained 5+ employees on every store procedure, from opening to cash reconciliation, so each could run a shift alone
- Maintained inventory accuracy through receiving, pricing, and cycle counts; kept management informed on stock levels

### Nordstrom

Tigard, OR

Sales Associate

June – September 2024

- Processed sales and supported end-of-shift register reconciliation in a high-volume department through peak summer traffic

## INVESTMENT RESEARCH

### isaaclefohn.com — Personal Investment Research Portfolio

February 2026 – Present

Independent project — website publishing 5 investment analyses with Excel models, memos, and Python code

- Portfolio risk study: an equal-weight 5-stock defensive portfolio roughly matched SPY's 5-year return (11.49% vs. 11.75% CAGR) with a higher Sharpe ratio (0.58 vs. 0.44), a 0.36 beta, and a smaller max drawdown (-15.7% vs. -24.5%)
- Long BANR pitch (April 2026): BUY with \$82.02 price target (+21.1% upside) from P/E and price-to-book valuation; cross-checked against community-bank M&A multiples
- Also: 5-year DCF of Waste Management with a sensitivity grid, and a PNW regional-bank comp built on SEC EDGAR data

## SKILLS, ACTIVITIES & INTERESTS

**Financial & Analytical:** Portfolio & Risk Analysis (Sharpe, Beta, Drawdown), Valuation (DCF, Comps, P/E & P/B Multiples), Equity Research, Financial Statement Analysis

**Technical:** Excel (Financial Modeling), Python (pandas, numpy, yfinance), SEC EDGAR XBRL, Git / GitHub, Video Editing

**Professional:** Customer Service, Business Communication, Project & Deadline Management

**Activities:** Assistant Youth Basketball Coach, Team Fly (Tigard, OR); Member, Finance Club at Oregon State; Intramural Soccer, Oregon State University

**Interests:** Soccer (10+ years), building PCs, following markets & investing
